24 Years Old

Professional Summary

Dynamic and passionate Computer Science and Engineering student with a strong foundation in web development, UI/UX design, and emerging technologies. Proficient in building responsive applications using HTML, CSS, JavaScript, PHP, and Node.js. Proven track record of leading innovative projects, including award-winning healthcare solutions and IoT devices. Eager to contribute technical expertise and collaborative spirit to forward-thinking teams, solving real-world problems through code and creativity.

Education

United International University — **Dhaka, Bangladesh**
BSc in Computer Science and Engineering — *2022–Present*
Relevant Coursework: Object-Oriented Programming (Java), Data Structures & Algorithms (C++), Artificial Intelligence, Database Management Systems. Developed advanced technical skills through hands-on projects and coursework focused on innovation and problem-solving.

Dr. Mahbubur Rahman Mollah College — **Dhaka, Bangladesh**
Higher Secondary Certificate (HSC), GPA: 5.00 (A+) — *2018–2020*
Focused on Science stream, honing analytical and foundational skills in mathematics and computing.

A.K. High School & College — **Dhaka-1236, Bangladesh**
Secondary School Certificate (SSC), GPA: 5.00 (A+) — *2018*
Science focus, establishing a strong academic base for STEM pursuits.

Technical Skills

Frontend: HTML & CSS (90%): Building responsive, accessible web interfaces with modern styling (Tailwind CSS, Flexbox/Grid).

Frontend: JavaScript (85%): Dynamic, interactive applications with ES6+, DOM manipulation, and frameworks like React.

Backend: PHP (80%): Robust server-side logic, database integration (MySQL), and dynamic web solutions.

Backend: Node.js (75%): Scalable APIs, real-time applications with Express.js and RESTful services.

Other: UI/UX Design, Mobile Apps (Flutter/React Native), Machine Learning (Python/TensorFlow), IoT (Arduino). Tools & Technologies: Git, VS Code, Figma, Adobe XD, MongoDB, AWS Basics.

Key Projects

- **Shastho Surukha** (Web Development, 2025): Led development of a dynamic healthcare platform providing expert insights, service updates, and digital health innovations. Technologies: PHP, JavaScript, MySQL. Impact: Champion at UIU CSE Project Show 2025.
  View Project
- **Talent Snapshot** (Web Development, 2024): Interactive personal portfolio showcasing skills and achievements. Features: Responsive design, animations. Technologies: HTML, CSS (Tailwind), JavaScript.
  View Project
- **PlateMate** (Mobile App, 2024): GPS-based app connecting donors to recipients for food waste reduction. Advances zero-hunger goals in Bangladesh. Technologies: Flutter, Google Maps API.
  View Project
- **Smart Home Device** (Hardware/IoT, 2023): IoT project for remote home appliance control. Technologies: Arduino, ESP32, MQTT.
  View Project
- **Image Recognition Model** (Machine Learning, 2023): ML model for real-time image classification. Technologies: Python, TensorFlow, OpenCV.
  View Project

Achievements & Awards

- **UIU CSE Project Show 2025 – Champions** (2025): Team *Phoenix the Firebird* ranked #1 among 140+ teams for *Shastho Surukha*. Recognized for innovation and real-world impact.
- **MIST INVENTIOUS 4.1 – Second Runner-up** (2024): Awarded in Project Showcasing for IoT/hardware project. Honored by UIU Vice Chancellor, Professor Dr. Md. Abul Kashem Mia.
- **UI/UX Design Certification** (2024): Professional certification from Design Academy; boosted user satisfaction by 30% in redesign projects.
- **Academic Excellence** (2018–2020): Consistent A+ grades (GPA 5.00) in HSC and SSC.

Professional Experience & Services

Self-Employed
Freelance Web Developer *2023–Present*
Delivered custom web solutions for small businesses, including e-commerce sites and interactive portfolios. Services: Full-stack development, UI/UX design, tech consulting.

UIU Innovation Projects
Team Lead, Phoenix the Firebird *2024–Present*
Collaborated on award-winning projects, managing timelines and technical integration.

Certifications

- UI/UX Design Professional – Design Academy (2024)
- Google IT Support Professional Certificate (In Progress, 2025)

Extracurriculars & Interests

- Active member of UIU Innovation Club; contributed to hackathons and tech workshops.
- Passionate about sustainable tech (e.g., food waste reduction) and open-source contributions.
- Volunteer mentor for junior CSE students on GitHub collaboration.
